Each day children will get the opportunity to participate in several different sports, 2 in the morning and 2 in the afternoon. There will be fun coach's challenges at the end of the day for each group.

This is a great opportunity for children to try a wide variety of sports, some they may have experienced before and some new ones. Sports offered are a mixture of individual and team. The sports are delivered by qualified sports coaches, development officers, PE teachers and local club coaches.

Our coaches and teachers will provide the ideal learning environment for children to learn new skills, develop their level of performance and make friends.

Children should bring with them; trainers, sportswear (suitable for the weather as some activities will be outside), packed lunch/snack and plenty to drink.
